SÉRGIO MIGUEL LOURENÇO LUIS

Profile

Pro-active and self-taught, passionate about programming. I love a job well done, team-working and good practices. I like challenges and learning new skills. I have always worked with Agile methodologies, continually training myself in HTML5, CSS3, Sass, Javascript, Typescript, NodeJS, mongoDB, mongoose, mySQL, rest-API, GraphQL, TDD, React and React-Native and much more...
